

iSIGHT Partners' New China Office Delivers Business-Critical Risk Management Services to Rapidly Growing Market

Demand for In-country Expertise Drives International Expansion

DALLAS (April 8, 2008) — iSIGHT Partners, the global risk management and mitigation firm protecting organizations' most vital assets, today announced the opening of its Dalian, China office. The overseas office will provide in-country resources for global customers operating in China, one of the world's fastest growing economies and technology centers.

iSIGHT Partners' customer base, comprised of *Fortune* 100 financial services, technology and retail companies, has identified China as a target market for expanding revenue, operations and outsourcing partnerships, increasing the need to protect vital assets across networks and geographic boundaries.

"China is increasingly important as a trading and business partner for multi-national companies, presenting a strong opportunity for customer and corporate growth," said John Watters, iSIGHT Partners' founder, Chairman and CEO. "The burgeoning outsourcing industry in Dalian and across China requires in-country personnel to meet customers' risk management needs."

iSIGHT Partners delivers risk mitigation solutions deployed through a global network of researchers, reducing corporate exposure to human, electronic and physical threats. The firm also maintains a best-in-class proprietary database of threats and risks, protecting against emerging threats to enterprises' most valuable intellectual property.

Dalian is iSIGHT Partners' fourth office; the company is headquartered in Dallas, Texas with offices in Washington, D.C. and New York.
